Trinity-Clifton Vision Statement

We, the Trinity-Clifton Christian family, believe that God has blessed us with diversity, including diversity in sexual orientation, gender, gender identity, race, age, ability and faith. We believe that Jesus challenged boundaries by reaching out to all people, welcoming and honouring all in their uniqueness.

We publicly declare our commitment to openness, growth, action, and education, honouring diversity and challenging injustice in solidarity with those who experience discrimination.

We offer our resources and talents with open hands and hearts in love and service to all as we work for reconciliation and justice locally, regionally, and globally.

As an Affirming Ministry of the United Church of Canada, Trinity-Clifton is committed to broadening social justice concerns within church and society.

The United Church of Canada has stated:

“In order to promote mutual respect, peace, and friendship,

the 40th General Council encouraged the recognition of Traditional Territories of First Nations, Metis and Inuit peoples at the gatherings of the Courts and Pastoral Charges of the United Church of Canada. A proposal has been brought to the General Council Executive to encourage Parliament to include a similar acknowledgment in its Opening Address.”

We follow the lead of the United Church of Canada in acknowledging that the land on which we gather is the traditional and unceded territory of the Abegweit Mi'kmaq First Nation.
