*ElderDog is a national non-profit organization dedicated to aging people,  
aging dogs and the important connection they enjoy.*

Thanks to the financial generosity of the Rotary Club of Charlottetown, ElderDog PEI Pawd is proud to kick off project: **A Helping Paw**.

Aligning with the mission and values of ElderDog Canada, the goal of A Helping Paw is to assist seniors in the care of their canine companions. Seniors often face issues (namely financial) when caring for their canine companions. Most common issues faced are in the areas of regular vet care, quality food and grooming, which if not rectified in a timely manner, can cause more serious issues for their dogs.

The first step in providing assistance through A Helping Paw is to identify the seniors in need. Through trusted recommendations and referrals by people and organizations like you, ElderDog PEI and Rotary Club of Charlottetown can provide quality assistance to seniors in Prince Edward Island.

#### **How can you help?**

Do you know of a senior in PEI who:

- Has a canine companion living with them
- Struggles with the care of their dog and could benefit from vet care, grooming, food, general care
- Meets Revenue Canada's low-income guidelines

If so, please tell them about **A Helping Paw** and obtain their approval for our contact. We will then reach out and coordinate how best to assist the senior and their canine companion. There is **no cost** to the senior for this project.
